

---

Aim: For participants to discuss and identify measures that can be implemented to improve the safety of VRUs in their jurisdiction

Time: 40 minutes including 20 minutes of work and 20 minutes discussion

Method: Small group work

Materials: Handout “Improving the safety of vulnerable road users

Facilitator will divide the group into groups of 4 and provide each group with the handout.

The groups will be asked to discuss the following question and write on the handout their group responses. Each group is to appoint a reporter, who will report back to the group.

What can we do to improve the safety of unprotected road users in your local area?

- Pedestrians
- Cyclists
- Motorised Two-Wheelers
